
QUALITY POLICY

We are proud of our reputation for quality and we never take that for granted.

In our commitment to delivering high-quality, innovative and practical solutions to suit the needs of our customers, Marr Contracting will always:

- Produce and supply products that conform to the relevant Australian standards and industry guidelines, and meet the necessary contractual and regulatory requirements;
- Focus on our customers by ensuring that our products and services meet or exceed the needs of our customers;
- Achieve operational excellence through the development, implementation and continual improvement of effective management systems that integrate quality, environmental, health and safety activities;
- Implement and maintain a Quality Management System incorporating the requirements of ISO 9001 or other applicable standards;
- Continually monitor, control and regularly review our management systems to ensure they are relevant, and contribute to the efficient and reliable operation of the business;
- Integrate quality objectives into our business plans; and
- Hold employees accountable for carrying out their duties in accordance with this policy and maintaining the quality of work in their area.

Our quality system is described and defined in our procedures and supporting documentation. Continual review of our policies and procedures ensures that areas of potential improvement are identified and implemented.

This policy shall be made available to all interested parties where Marr Contracting undertake heavy lifting construction operations.
